Essen

Øyvind Skåra
Surveyor

This Certificate is subject to terms and conditions overleaf. Any significant change in production facilities and methods may render this Certificate invalid.
If any person suffers loss or damage which is proved to have been caused by any negligent act or omission of Det Norske Veritas, then Det Norske Veritas shall pay compensation to such person for his proved direct loss or damage. However, the compensation shall not exceed an amount equal to ten times the fee charged for the service in question, provided that the maximum compensation shall never exceed USD 2 million. In this provision "Det Norske Veritas" shall mean the Foundation Det Norske Veritas as well as all its subsidiaries, directors, officers, employees, agents and any other acting on behalf of Det Norske Veritas.

Certificate No.: T-1447
File No.: 747.10
Job Id.: 263.11-002548-1

Approval basis

1. The maker's qualification documents received with letters from DNV Essen dated 2006.03.09 as required in DNV Programme for Approval of Manufacturers of Welded Pressure Vessels Class II.
2. Report no. ESN-04-3437 dated 2006.03.09.
3. Checklist for renewal dated 2010.07.22.

Certificate Retention Survey

To maintain the approved status, the manufacturer is to be re-inspected every four years.

Application for renewal is to be submitted not later than three months before the certificate expiry date.
