

Pressure Vessels

Whether for the storage of gases, liquids or other media - we have the right pressure vessel!

We manufacture:

- compressed air tanks
- filter vessels
- silencers
- oil separators
- adsorption vessels
- fire extinguisher tanks
- vacuum tanks
- shock absorbers

Vessel Variations

We manufacture with:

- ✓ customer-specific dimensions
- ✓ customer-specific pressures
- ✓ customised connections
- ✓ customer-specific additional options
- ✓ various installation options:
 - standing
 - horizontal
 - hanging

Pressure Vessels	
Pressure	up to 160 bar
Volume	5 - 120.000L
Diameter	up to 3.500mm
Connections	according to customer requests
Materials	carbon steels, stainless steels, clad steels & duplex steels

Your Benefits

Configurability

The diameter and other details of the vessel can be customised to your demands

Individual load changes

The load changes can be customised and may reduce maintenance cycles

Variable connections

Variation of several connections with different sizes possible on one vessel

Coatings inhouse

We coat your vessel according to our standards or the desired RAL color

Installation of extras

On request, we can integrate fittings and other accessories that were designed by you

Use halls & personnel

You can use our resources for your own assembly work on your vessel

Optional

Ball valves

Safety valves

Manometers

Control cabinets

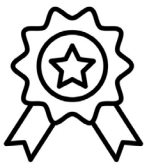

Probes + Electronics

Level indicators

Please note: All process engineering attachments must be designed by the customer!

Certifications

To ensure high quality and safety, all materials, production processes and end products are checked using the **eferest** quality management system.

We are certified according to:

- DIN EN ISO 9001:2015
- DIN EN ISO 3834-2
- AD 2000 HP0
- Modul H
- Modul H1
- Modul D1
- ASME U
- ASME U2
- National Board
- Manufacture License P.R. China
- GOST EAC RU
- KGS Certification
- LR Marine
- DNV
- BUREAU VERITAS
- UKCA PER D1
- UKCA PER H
- UKCA PER H1

We can design and certify our products according to various national and international standards!

You can find all our approvals as a download on our website. Scan the QR code to view all certificates!
